

Dear Town of Kearny Resident,

A letter was sent to you on July 10, 2019. The Town of Kearny is conducting a survey to determine the average income of residents within the town's boundaries to qualify for a federal grant. The information will determine the amount of federal grant money that can be made available for this specific project. Community Development Block Grant monies may be used for public infrastructure, community facilities, housing, public services and economic development.

**Please help! In order for the information from this survey to be valid, we must have everyone respond. We need everyone who receives a survey to respond promptly.** All information will be kept strictly confidential, as the actual survey information regarding size of family, income and demographics will be separated from the bottom portion of the survey page. There will be no way for anyone to connect the information you supply regarding your income and ethnic status with your name and address.

Central Arizona Council of Governments (CAG) will collect and tabulate the information. CAG is bonded and conducts surveys of this nature regularly. The community will only be given grouped information, such as "20% of the respondents are persons with disabilities."

Please answer the survey form, sign it and mail it back, submit it to Town Hall or submit it to the survey taker that may visit your home.

If you have any questions about this survey or have accessibility needs, please contact Anna Flores, at the Town of Kearny at 520-363-5547 or Alan Urban at Central Arizona Governments, at 480-474-9300.

Thank you for your cooperation.

Sincerely,

Debra Sommers  
Mayor
